I tried sharing the docs individually with Mita and she wasn't able to access- is anyone else having trouble with Sharepoint? I can't think of a quick fix since it's probably a Sharepoint issue, so if we're expecting the heaviest edits from Mita, I'll attach hard copies of the docs here for her review. I can either transfer Mita's edits to Sharepoint or upload new docs with Mita's edits, depending on if others have already commented.

Best,
Whitney

Simma et al – The summary and responses for workload/FTE are also ready for your review – again, major thanks to Whitney for this one, too. I think we could do a little more to do to lump into one section, but will have to tackle that tomorrow. Sending along for content review.
